

HIGH COMMISSION FOR THE PEOPLE'S REPUBLIC OF BANGLADESH
CANBERRA

04 February, 2020

Announcement on MRP and Hand-written Visa

Due to technical problem of the MRP and MRV Server, the High Commission will receive MRP application for ordinary processing only but no MRP could be delivered for next 15 days (approximately). Service seekers are advised to wait, if possible, till 20 February 2020 when we expect the glitch to be rectified.

In case of urgency, Bangladesh High Commission in Canberra will be compelled to issue hand-written visas for the following type of applicants for the same reason:

- *Australian and non-Australian citizens;*
- *NVR to members of Bangladesh diaspora*

However, visas (Machine Readable Visa-MRV) for holders of Australian Travel Document (Titre De Voyage) will be issued only after restoration of the MRP & MRV Server.
