CANBERRA

## Announcement

The High Commission has been compelled to postpone the consular camp in Melbourne scheduled to be held on 15-16 January 2022 due to unprecedented spike in active COVID cases in Australia in particular in Melbourne.

The High Commission deeply regrets the inconvenience caused by this postponement.

The High Commission seeks to reschedule the consular camp around 12-13 February 2022 provided COVID situation improves and logistical arrangements are made by our partner, Victoria Bangladeshi Community Foundation (VBCF).
