CANBERRA

Notice of postponement of mobile consular camp  
28-29 March 2020, Auckland

Owing to the risk of fast spread of Coronavirus (COVID-19) and concomitant response in New Zealand in particular on social distancing, restrictions on large (static) gathering and requirement of mandatory two week's self isolation for visitors, the High Commission has decided to postpone the planned mobile consular camp to be held on 28-29 March 2020 at Auckland.

The schedule for the next camp will be notified in due course. Meanwhile consular service seekers are advised to obtain such services through postal arrangements.

Any inconvenience caused by the postponement is deeply regretted.
