Press Release

**AISF 2013 - Bangladesh Returns to Hunt for
Further Market Access.**

Bangladesh is going to participate in the Australian International Sourcing Fair 2013 (AISF-2013) to be held during 13 to 15 November 2013 at the Melbourne Convention and Exhibition Centre, Melbourne, Australia.

As a major sourcing fair in Australia, AISF will present a global showcase on production and manufacturing and sourcing options. Bangladesh is participating in the AISF 2013 with 14 renowned exhibitors and will showcase readymade garments, leather products, jute products, towels, bed linen and some other non-traditional items in the fair.

Interested importers, sourcing agents/buyers and individuals are invited to visit Bangladesh Pavilion in the AISF 2013 to explore new business opportunities from renowned companies of Bangladesh. Buyers and sourcing agents will also have the unique opportunity to identify their sourcing targets in Bangladesh through face-to-face communication.
